R.M. of Marriott No. 317

MUNICIPAL WELL POLICY

The RM of Marriott No. 317's community well is located on the NW 31-32-14 W3 along Valley Centre Road (Grid 768).

This well is non-potable. This water is not for human consumption. All other water uses are at the patron's own risk.

The well is operated with an electronic key fob. The key fobs are available for purchase at the Municipal Office at a price of \$25.00/fob for ratepayers and \$50.00/fob for non ratepayers. The key fob when placed to the bulk water fill box will start the water. To stop filling the key fob is once again touched to the fill box.

Ratepayers who misplace their key fob will be required to purchase a new one.

Water is available at the following rates:

- Ratepayers: \$5.00/thousand gallons
- Non-Ratepayers: \$15.00/thousand gallons

The volume of water is an estimated amount and may vary due to fluctuations in water pressure.

Chemical & Chemical Handler Systems are **PROHIBITED** from the Well Site. Any contravention of Bylaw 04-2024 will result in a Five Hundred dollar (\$500.00) fine.
